RE: Two Plus Four Construction Co., Inc.
6320 Fly Road
East Syracuse, NY 13057

Gentlemen:

Our organization has been privileged to represent this fine contractor for a period of over 27 years. We have established surety credit in support of their construction projects.

Their surety relationship with our agency and the Hartford Insurance Group is one of longstanding pride and quality. They have demonstrated excellent financial management. We have granted single job surety credit in the \$5,000,000-\$7,500,000 range. Their strong financial management and ability to undertake large projects has earned them solid surety recognition. They complete projects on time within budget.

Their excellent pay records and ability to perform for both the private and public sectors has been outstanding. We feel privileged to recommend this contractor for your consideration in undertaking construction projects.

We would be pleased to provide any additional information or recommendations that you may require to assist them in meeting your qualifications.

Sincerely,

George J. Schunck
