To Whom it May Concern:

We are providing this letter as our highest recommendation of Two Plus Four Construction Company, Inc. We have known them for twenty-three years, and have had the privilege of working in partnership with them on four separate projects. All projects were completed timely and professionally. Moreover, and more important to us, the projects were conceived and executed with the very best interest of the community in mind. We found the team understanding and flexible when the community or the local not-for-profit partner requested specific or special considerations. Although all developers must obviously earn an income, Two Plus Four never made you feel as though profit was their primary motive. They always seemed genuinely concerned with community needs and desires.

We cannot recommend them highly enough.

If I can be of further assistance, please feel free to contact me at 845.291.7300 or email at alicedickinson@hve.rr.com.

Very truly yours,

Alice Dickinson
Executive Director
